Dubai Electronic
Security Center

STEPHEN KAVANAGH

Executive Director
Police Services
INTERPOL

MK PALMORE

Former Head of FBI
San Francisco Cybersecurity
Investigative Branch
US

MUHITTIN HASANCIOĞLU

CISO, PETRONAS
Malaysia

BEN HALPRET

CISO
Groupon
US

Security executive by day, Cyber hero by night, securing American global e-commerce marketplace & award-winning author

ABDULLAH MARGHALANY

Cybersecurity Chief Officer
Ministry of Health General
Directorate of Health
Affairs in Medina
Saudi Arabia

Security Leader of the 2030 transformation vision in Medina Health Cluster

DR. SANAUULLAH ABBASI

Director General
FIA (Federal Investigation
Agency)
Pakistan

At the helm of Pakistan's premier investigation agency

DR. AMMAR H. ALHUSAINI

Deputy Director General
Central Agency for Information
Technology
Kuwait

CHRISTINE DE SOUZA

Board of Directors
Cyber Security Forum
Initiative (CSFI)
US

"Cyber Swiss Army Knife" – cyber warrior for both military and government environments

AHMED ELRAGHY

Senior Advisor
ITU

KAYIHAN ALTINOZ

AGM at the Information
Technologies General
Directorate
Ministry of Interior
Turkey

CISO leading digital transformation & cybersecurity projects of Turkey's MOI

DEEPAK KUMAR

Senior Digital Forensic
& Cyber Intelligence
India

Supporting Indian government initiatives on Digital Forensics, Cyber Crime & Terrorism

SHAMMA BIN HAMMAD

Founder-CEO
CyberHero
UAE

Young Emirati Founder & CEO of cybersecurity startup specializing in the field of education

ONE AGENDA, MANY STAGES

HOSTED BY

مجلس الأمن السيبراني
CYBER SECURITY COUNCIL

TOP-LEVEL STRATEGIC PARTNERSHIPS & INDUSTRY BREAKTHROUGHS

GLOBAL CYBER SECURITY CONGRESS

The annual Global Cybersecurity Congress taking place at GISEC sets the stage for unifying efforts on local, national and global cross-sector levels and shaping national security and defense strategies to combat evolving threats to citizen, business and critical infrastructure safety.

**H.E. DR. MOHAMED
AL-KUWAITI**

Head of Cyber Security
United Arab Emirates
Government

OLEG SHAKIROV

Senior Expert, Center for
Advanced Governance
Russia

AHMED ELRAGHY

Senior Advisor
ITU

YASMINE AZZOUZI

Cybersecurity Programme
Officer

CAROLINE TROEIN

Lead Researcher
International
Telecommunication Union

RASTISLAV JANOTA

Director, National Cyber
Security Centre (SK-CERT)
at National Security
Authority
Slovakia

GOVERNMENT STAGE

Bringing together key movers and shakers within government security to protect the nation's critical infrastructures against new and emerging risks.

HOSTED BY

**HIS EXCELLENCY
YOUSUF HAMAD
AL SHAIBANI**

Director-General, Dubai Electronic Security Center (DESC)

AMER SHARAF

Director of Compliance Support and Alliances, Dubai Electronic Security Center

KAYIHAN ALTINOZ

AGM at the Information Technologies General Directorate, Ministry of Interior, Turkey

ANDREW GOULD

Cyber Crime Programme Lead, National Police Chiefs' Council, UK

**OSEI BONSU
DICKSON**

Chief Legal Advisor, Ministry of National Security, Ghana

LIEUTENANT COLONEL

USMC (retired) Bill Hagestad, cyberwarfare expert & independent security researcher, US

BANKING & FINANCE

The banking industry is at its most vulnerable point, having experienced an unprecedented 1,318% YoY increase in ransomware in 2021, with business e-mail compromise increasing by 4%.

**HUSSAIN
ALKHALSAN**

CISO
Zand

**COL. SAEED
AL HAJRI**

Director Cyber Crime

STRIKING IDEAS, HARD-HITTING TALKS

FREE TO ATTEND CONTENT

DARK STAGE

Get ready for a provocative line-up of hackers, intelligence and digital security experts deconstructing cyber-attacks. From the breaches that devastated businesses to crippled government organisations, nothing is out of bound on this stage.

BERNARD MONTEL

Technical Director
and Security Strategist
Tenable

Security Strategist with expertise
in cryptography, Identity & Access
Management, SOC domains

DEEPAK KUMAR

India
Senior Digital Forensic
& Cyber Intelligence
Professional

Subject matter expert, supporting
government initiatives on Digital
Forensics, Cyber Crime & Terrorism,
Threat Intelligence

DANIEL KALINOWSKI

Poland
Security researcher at day,
bounty hunter at night

RAMI KAYYALI

Chief Technology Officer
& Regional Director
of The Kernel

Rami specializes in building tailored
Authentication solutions & over the
years has worked as a consultant
alongside various governmental
ministries/entities and large-scale
enterprises across the Middle East
and Africa.

BORJA BERASTEGUI ANZORANDIA

Spain
Ethical Hacker

Borja Berastegui has been working
in cybersecurity for most of his
professional career,
providing cybersecurity expertise
across multiple different sectors and
international companies such as EY.

PETE CHESTNA

CISO of North America
at Checkmarx

Pete Chestna serves as the CISO of
North America at Checkmarx, where he
provides customers and prospects with
practical advice for building successful
application security programs.

GCC & AFRICA CONNECT

Network with a power inner circle of CISOs and thought leaders from the GCC and Africa, exchange stories and insights on how to battle threat actors and hackers day-in, day-out.

SAUDI ARABIA FOCUS STAGE

A CYBER-SAFE KINGDOM

The GISEC Saudi Arabia Focus stage will highlight the country's robust cybersecurity strategy and its evolving regulatory environment.

YASSER AL YOUSEF

Chief Information Security officer, Ministry of Justice Saudi Arabia

MOHAMMED AL-DOSERI

CISO Tas'heel Finance and Saudi Central Bank – SAMA, Chairman of the Financial Sector Cybersecurity Committee, Saudi Arabia

DR. FAISAL SIBAI

CISO Confidential Saudi Arabia

ABDULLAH MARGHALANY

Cybersecurity Chief Officer Ministry of Health General Directorate of Health Affairs in Medina, Saudi Arabia

MONA ALSHEHRI

Cyber Security Officer Fakeeh Care Saudi Arabia

JAD H. ABDULSALAM

CISO Saudi Arabian Mining Co. (Ma'aden) Saudi Arabia

QATAR FOCUS STAGE

A WORLD CUP OF CYBER-ATTACKS

For the FIFA World Cup 2022, Qatar is placing great emphasis on building national cybersecurity capabilities. The 'Qatar Focus Stage' will delve into its cyber defense strategies and how the nation is strengthening cyber resilience to build an advanced society capable of sustaining rapid development.

MALCOM SMITH

President of ASIS
International & Head of

THE MOST DOMINANT CYBER PRODUCTS & SOLUTIONS

SCION

ANAPAYA SYSTEMS AG STAND NO. F30

Today's internet is ubiquitous but lacks protection, while private, leased-line connections are secure, they are expensive and inflexible – precluding open, ecosystem-based communication. SCION is the answer.

QUANTUM

KOVRR STAND NO. F33

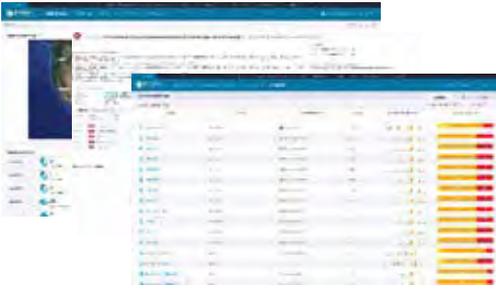

Enables enterprises to comprehensively manage their cyber risk exposure by empowering them to seamlessly make actionable, financial quantified cyber risk decisions. On-demand.

NNETDIODE/NNETTRUST/ NNETDIODE DUAL/NNETDR

NNSP CO LTD STAND NO. F31

From smart uni-directional security gateway to ICS/OT asset visibility and threat monitoring and response, explore a range of smart industrial security solutions from Korea's premier company.

CMC

NOZOMI NETWORKS STAND NO. D32

Delivering centralized edge or public cloud-based monitoring of Guardian sensors. Whether you're consolidating visibility and risk management at the edge or in the cloud, the CMC is fast and simple to deploy.

GUARDIAN

NOZOMI NETWORKS STAND NO. D32

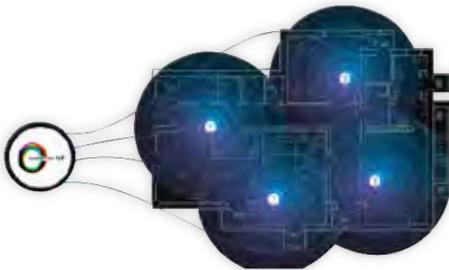

Nozomi Networks Guardian™ unlocks visibility across your OT, IoT, IT, edge and cloud assets, for accelerated security and digital transformation. Combining asset discovery, network visualization, vulnerability assessment, risk monitoring and threat detection in a single application

VANTAGE

NOZOMI NETWORKS STAND NO. D32

Leverages the power and simplicity of software as a service (SaaS) to deliver unmatched security and visibility across OT, IoT, and IT networks. Vantage delivers the immediate awareness of cyber threats, risks, and anomalies you need to detect and respond quickly and ensure cyber resilience.

HARMONY IOT INFRASTRUCTURE

ORCHESTRA GROUP STAND NO. F21

Harmony IoT monitors and protects your wireless airspace from attacks and misuse. Your network is wireless – protect it.

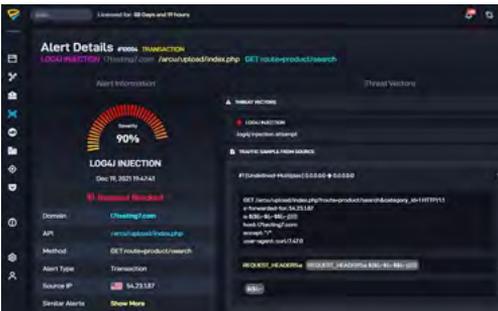

HARMONY-PURPLE
AUTOMATED PURPLE TEAMS ENSURE CONTROL EFFECTIVENESS

HARMONY PURPLE

ORCHESTRA GROUP
STAND NO. F21

Harmony Purple is an all-in-one solution, combining vulnerability scanning, attack simulation, and remediation.

AMMUNE™

L7 DEFENSE
STAND NO. F23

L7 Defense helps organizations to protect their infrastructure, applications, and partners against the growing risk of API-borne attacks such as log4j.

The World's Most Advanced
Cyber Security Training

CYMPIRE COMPUTERS 2022

CYMPIRE
STAND NO. F23

The World's Most Advanced Cyber Security Training & Assessment Platform

DFC

TERAFENCE
STAND NO. F16-15

Hardware cyber security solutions for LAN IoT and IIoT devices. Terafence's FPGA Air-Gap technology DFC (Data Flow Controller) isolates networked devices from Cyber Attacks, with no CPU/OS or IP/MAC address, making your organisation totally impervious to breaching attempts.

TOPIA

VICARIUS LTD
STAND NO. TBC

TOPIA is an autonomous vulnerability remediation platform that helps teams protect their assets against software exploitation.

DVIA

APPKNOX
STAND NO. F28

Appknox is the world's most powerful plug and play security platform which helps Developers, Security Researchers and Enterprises to build a safe and secure mobile ecosystem using a system plus human approach to outsmart the smartest hackers.

SKURIO

BULWARK TECHNOLOGIES
STAND NO. C49

Skurio's Digital Risk Protection platform combines automated monitoring of the surface, deep & Dark Web with analytics for cyber threat intelligence.

THE GATHERING GROUND OF WORLD'S BEST

Cutting-edge cybersecurity innovations from around the world,
gathered in one unmissable event.
